What Is the House of Delegates?

The House of Delegates is a leadership body of elected representatives who:

- ✓ Identify emerging Professional Trends
- ✓ Shape policy and strategic priorities
- ✓ Advise the Academy’s Board of Directors
- ✓ Bring state and practice-area insights forward
- ✓ Help ensure ethics, standards, and the profession’s future remain strong and relevant

Current Focus Areas

Right now, your delegates are actively engaged in solutions-oriented discussions on:

- Healthcare disruption opportunities and challenges
- Artificial Intelligence and learning in healthcare
- Reimbursement and dietetics practice viability

Get Involved – Your Voice Matters!

- Share input on trends and issues you see
- Suggest topics for upcoming Professional Trend discussions
- Audit a House of Delegates Real Time Dialogue Session
